The President, national executive officers and members of the Musicians Union of Ghana (MUSIGA) sends seasonal felicitations to Ghanaians on this joyous occasion.

As the goodwill of this season brings joy and happiness to many, MUSIGA would like to call on Ghanaians to use the season to also reflect on the many good things our nation reflects and resolve that the coming year would be a year of positives. That our national political life be devoid of malice and acrimony and the national agenda should be our focus.

To members of the creative arts community, let us endeavour to work in unity, agreeing to disagree yet remaining focused on our supreme objective which is national development.

Once again we wish you the best of the season and a happy new year.

Signed  
Bice "Obour" Osei Kuffour  
(President, MUSIGA)
